

## PRINTABLE PILLOW BOX WITH HANDLE

**FOLDS  
FLAT!  
USE AGAIN  
AND AGAIN!**

To make:

- 1) Print on a sheet of photocopier card.
- 2) Score the folds.
- 3) Carefully cut the blue curve on the handle circle and the white curve on the box circle.
- 4) Cut out the box, the handle, and the two circles.
- 5) Crease the folds.
- 6) Glue a circle underneath the circle on the box and underneath the handle circle.
- 7) Glue the base of the handle onto the opposite side of the box to the circle.
- 8) Glue the box flap under.
- 9) Pop up the box, fold in the sides, secure the circle clasp.
